

INVESTIGATE: Effective Case Review and Analysis

The one-day Investigate: Effective Case Review and Analysis training course by Nuix is designed for those responsible for reviewing evidence and case data to help identify relevant information, patterns, and trends. Users apply analytical skills to review the data and develop conclusions and recommendations that will support legal or compliance initiatives.

Students will be enrolled in the Investigate: Effective Case Review and Analysis exam. Passing of that exam is a requisite for Nuix Neo Master certification.
