# MIGRATING MADE EASY:
STAY ON-PREMISES WITH NUIX

DECIDE WHAT MATTERS

Keep control of your future — don't let a forced SaaS migration compromise what matters most. Choose to stay on-premises and safeguard your data sovereignty, compliance, security, and operational efficiency with Nuix.

YOUR STEP-BY-STEP MIGRATION + TRAINING JOURNEY

Nuix ensures a smooth migration with comprehensive training and exceptional customer support. With Nuix migration specialists, Customer Support team, training resources and dedicated eDiscovery experts by your side, you're never alone in your migration journey. With Nuix, you'll have the tools, knowledge, and team needed to transition seamlessly and securely, to remain on-premises.

Pre-Phase + Kick-Off
Define goals, scope, training requirements, and timeline

Phase 2: Implentation + Testing
Deploy platform, commence Nuix training, conduct functional and UAT testing

Phase 4: Data Migration
Test, execute, and validate data migration

Phase 1: Planning + Design
Develop migration security and project plans

Phase 3: New Matter Go Live
Onboard end users and ensure readiness

Phase 5: Business as Usual
Optimize and maintan your new system, grow Nuix knowledge

SEAMLESS MIGRATION TO NUIX NEO DISCOVER ON-PREMISES: YOUR PATH TO SUCCESS

Transform your eDiscovery capabilities with our comprehensive migration solution. Our four-phase approach ensures a smooth transition while maintaining your data integrity and business continuity.

PHASE 1: DEPLOY

- Hardware planning and provisioning
- Expert deployment of Nuix Neo Discover on-premises
- Immediate matter creation capabilities in your new environment

PHASE 2: PREPARE

Future-proof your migration with our strategic preparation phase:

- Custom-tailored migration roadmap with clear responsibilities
- Strategic case sampling for optimal testing
- Comprehensive communication framework
- Collaborative process development

PHASE 3: TEST

Ensure excellence through our rigorous testing protocol:

- Detailed testing methodology
- Real-world sample case migrations and UAT
- Process validation and refinement
- Stakeholder sign-off at every step

PHASE 4: EXECUTE

Deliver success through methodical implementation:

- Strategic case grouping and prioritization
- Systematic migration execution
- Real-time process optimization
- Continuous stakeholder communication

Our migration solution combines industry expertise with cutting-edge technology to deliver a seamless transition to Nuix Neo Discover on-premises. With our proven methodology and dedicated support, your organization will experience minimal disruption while maximizing the benefits of your new eDiscovery platform.

Partner with us to transform your eDiscovery capabilities and position your organization for future success.

TRAINING FOR THE TEAM

Nuix equips your team with the skills they need to unlock the full potential of the Nuix Neo platform. Our role-based training is aligned with each phase of the migration process:

Kick Off Phase
Nuix works with you to plan your training requirements

Phase 1
Enroll students in their job role specific learning pathways

Phase 2
Commence training pathways for:
Portal Administrators
Case Managers
Review Managers

Phase 3-4
Training continues for Review Managers and commence training for Reviewers/End Users

Phase 5
Analytics Hybrid Training and eLearning for ongoing skill-building

With a comprehensive modular training program delivered by certified instructors, we offer a blended learning approach that combines instructor-led sessions, hands-on labs, and self-paced eLearning. Plus, your team will have 12-month access to updated content through **Nuix Academy**, ensuring they stay ahead long after migration is complete.

SAFE + SECURE

Nuix Neo Discover holds globally recognized certifications including ISO 27001, and SOC 2.

THE FUTURE AT YOUR FINGERTIPS

With Nuix Neo Discover, you're choosing a platform dedicated to your future. Nuix's ongoing innovation brings new capabilities like semantic search, BYO AI, AI-assisted bulk redaction, AI-driven first pass review, and document summarization to customers sooner.

Nuix ensures a smooth migration with comprehensive training and exceptional customer support, helping your people build the skills that improve investigation speed and quality while strengthening compliance and defensibility, including:

> **Nuix Certified Training Programs:** Enhance user expertise and maximize software capabilities.

> **Tailored Certification Courses:** Empower your team with Nuix Discover Certification.

> **Dedicated Customer Support Portal:** Access expert assistance and resources whenever you need them.

STAY IN CONTROL:
SPEAK TO AN EXPERT TODAY
