

TWO-DAY INSTRUCTOR LED CLASS

Nuix Discover®

CASE MANAGER

The Nuix Discover Case Manager certification course is designed to introduce students to managing and administering Nuix Discover cases including:

- Data processing and import
- Data enrichment and imaging
- General administration (such as managing workspaces and templates)
- Manage groups and security
- Configure cases for effective document review and managing document analysis tools
- Create and manage productions
- Report on review progress and statistics
- Export

Students will be enrolled in the Nuix Discover Case Manager exam. Passing of the Nuix Discover Case Manager exam is a requisite for the Nuix Discover Master Certification.
